

Off Broadway Live Musical Production

Decades: Flashback

A Musical Revue

Journey through four years (1956, 1966, 1976, 1986) and see how much the world changed in just 10 years with music, fashion, and culture. With over 40 songs, this musical revue is a perfect summertime show!

Another great night out is planned for all of us at ACC, our friends, and families at *Off Broadway Live!* The cast of OBL is ever so talented; they will whisk us back in time for some great tunes from yesteryear!

So mark your calendar, contact those who enjoy a great time at the theatre, and call *Off Broadway Live* to reserve and pay for your seats!

This is a great fund-raiser for ACC; we will receive a portion of each ticket sold!

When you call, you must tell them that you are purchasing tickets to benefit

Alpine Community Church (UCC)

Dinner will not be provided, but snacks and drinks can be purchased before the show. Prefer not to drive at night? No problem, we can carpool and find you a ride!

Call as soon as possible for a great night out and to help ACC!
